

40 CFM Gas/Diesel Compressor/Generator

40 cfm @ 150 psi
5500 Watt Generator

Basic Compressor Features

- Airend manufactured with German rotary screw components
- Spin on separator
- Spin on oil filter
- Simplified operating controls, no complicated micro-processor
- Single control solenoid operation
- UL control components
- Easy to remove bolt on oil cooler for cleaning
- Operating pressures from 100-190 psi available
- Extended oil drain with ball valve for easy service
- Easy to read and access gauges
- Factory filled with premium synthetic fluid
- Industrial duty drive engine
- 5500 watt generator
- 110/220 volt Outlets
- 41 amps @ 120 volt
- 20 amps @ 240 volt

Elite Compressor Features

- All basic features
- Air/Oil cooler
- SIMPLEX controls
- Vibration isolation pads
- Tank discharge ball valve
- Free freight in the 48 states & southern Canada

| Model | HP | Mount | Tank | Elite/Basic | Drive engine | Length | Width | Height |
|-----------------|----|------------|----------------------|-------------|---------------|--------|-------|--------|
