Compressed Air Systems utility compressor packages can be manufactured in a variety of ways. All packages can be built open or enclosed frame, with low or high ambient kits, and have the option for trailer mounting. Every diesel utility package is built with TIER 4 final engines and high quality components. Unlike other units with carbon fiber or fiberglass covers, our packages use steel frames and sides designed for durability and long life.

### Engine Driven Rotary Screw Compressor/Generator Combination Units

#### Basic Compressor Features
- Tier 4 certified diesel Drive engine
- Heavy duty industrial rotary screw airend
- Industrial grade generator
- High strength reinforced steel frame
- Air after cooler for 15 degree approach temperature
- Engine vibration isolation mounts
- Fuel tank mounted
- Engine battery mounted and wired
- Spin on compressor oil filter
- Spin on compressor separator
- Vibration reduction compressor drive coupling
- Easy to operate compressor control panel

#### Options
- Industrial grade gasoline drive engine
- Industrial grade natural gas drive engine
- Enclosure
- High ambient cooling package
- Low ambient heating package
- Deep cycle marine grade battery

### AirShok Compressor/Generator

**130 cfm @ 150 psi**  
**10,000 kw Generator**

**Options**
- 400 AMP Welder
- Trailer
- Hose reel(s)
- Air cooler
- Air filtration

Enclosed Engine Driven Rotary Screw Compressors

Features
- Industrial grade rotary screw airend
- Industrial grade drive engine
- Quick service compressor filters
- Electric start drive engine
- High oil temperature shut down
- High air temperature shut down
- Low engine oil shutdown
- Engine idle control to meet air demand
- 12 Volt compressor air & oil cooler pack*
- JIC quick connect air & oil lines
- Vibration mounting pads
- Fuel cell
- Battery and battery box
- Air cooled aftercooler

Options
- Cold weather heating package
- High ambient temperature cooling package
- 4 or 30 gallon air storage tank
- Drive engine control extension
- Compressed air regulator control pack
- Cover color change
