

# 10 HP Enclosed Rotary Screw

**38 cfm @ 150 psi**  
**40 cfm @ 125 psi**  
**70 dba**

## Features

- Airend manufactured with German rotary screw components
- Spin on separator
- Spin on oil filter
- Simplified operating controls, no complicated micro-processor
- Single control solenoid operation
- UL control components
- Automatic belt tensioning
- Omega profile rotors
- Air/oil cooler
- Heavy duty air filter
- Easy to access oil cooler for cleaning
- Operating pressures from 100-190 psi available
- Extended oil drain with ball valve for easy service
- Easy to read and access gauges
- Factory filled with premium synthetic fluid
- Solid steel sound enclosure
- Vertical draft ventilation

## CRD Compressor

### Features

- All basic features
- Automatic tank drain
- SMART contact controls
- Vibration isolation pads
- ASME powder coated air receiver
- Refrigerated air dryer
- Stainless Steel discharge lines
- Free freight in the 48 states & southern Canada

| Model Number | Phase | Voltage     | Tank                 | Package | Length | Width | Height | Amp Draw 230 Volt | Amp Draw 480 Volt |
|--------------|-------|-------------|----------------------|---------|--------|-------|--------|-------------------|-------------------|
| RS101ENC     | 1     | 208-230     | 80 Gallon Horizontal | Basic   | 32     | 28    | 42     | 44                | N/A               |
| RS101ENC-CRD | 1     | 208-230     | 80 Gallon Horizontal | CRD     | 64     | 28    | 63     | 44                | N/A               |
| RS103ENC     | 3     | 208-230-460 | 80 Gallon Horizontal | Basic   | 32     | 28    | 42     | 28                | 14                |
| RS103ENC-CRD | 3     | 208-230-460 | 80 Gallon Horizontal | CRD     | 64     | 28    | 63     | 28                | 14                |

**No Start Up Kit Required**

**Optional 5-year Pump Warranty Available.** See catalog for additional options

## Compressed Air Systems

Simplicity. It's What We Do.
