Reciprocating Compressor Installation Sheet

Date of Installation __________________________ Compressor Model# __________________________

Installation Company __________________________ Compressor Serial # __________________________

Installation Technician __________________________ Compressor Voltage __________________________

Site Electrical Phase __________________________ Site Voltage L1 _______ L2 _______ L3 _______

Compressor Electrical breaker size __________________________

Incoming Voltage at motor start up L1 _______ L2 _______ L3 _______

Incoming Voltage at max operating pressure L1 _______ L2 _______ L3 _______

Incoming power connected to Magnetic Starter _______

Breaker size for the compressor _________________ AMPS Wire size for the compressor __________________________

Distance from main electric panel __________________________ Disconnect installed at the compressors site _______

If Duplex compressor separate disconnects for each drive motor: ☐ Yes ☐ No

Compressor Rotation Correct ☐ Yes ☐ No

Motor amps at max operating Pressure L1 _______ L2 _______ L3 _______

Compressor Max Operating Pressure __________________________ Compressor tank drain functional __________________________

Unit inspected for Air leaks __________________________ Unit inspected for Oil leaks __________________________

Unit location: ☐ Indoors ☐ Outdoors

Unit tank fill time 0-125psi __________________________ (Put N/A if pressure not applicable to installed unit)

Unit tank fill time 0-150psi __________________________ (Put N/A if pressure not applicable to installed unit)

Unit tank fill time 0-175psi __________________________ (Put N/A if pressure not applicable to installed unit)

Belt tension checked: ☐ Yes ☐ No Vibration Pads properly installed: ☐ Yes ☐ No

All installation steps completed: ☐ Yes ☐ No If no, reason: ________________________________________________

____________________________________________________________________________________________________

____________________________________________________________________________________________________

Send copy of completed installation sheet to manufacturer to begin warranty
